Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting \$1.94 million in community project funding for The Connecticut Hospice.

The entity to receive funding for this project is The Connecticut Hospice, Inc., located at 100 Double Beach Road, Branford, CT 06405.

The funding will be used for improvements are exceptionally important during times of emergencies resulting from natural disaster so that CT Hospice does not have to relocate patients from its Branford headquarters. Due to its location directly on the Connecticut shoreline, The Connecticut Hospice's inpatient facility has sustained damage over time from salt water and storm damage that requires repointing of its stone building envelope, window replacement and reglazing of windows to secure the building envelope and repaving of the patient/staff parking areas to create safer entry/egress from the facility which includes lighting as well as resurfacing.

I certify that neither I nor my immediate family has any financial interest in this project.

A handwritten signature in black ink that reads "Rosa L. DeLauro".
